Axtel Prime MS HD Duo NC USB

Effortless communication by ensuring a real-time conversation experience

The new Prime MS is an amazingly light professional headset. Thanks to its ergonomic, adjustable earpieces, it guarantees comfort even during extended use. The improved noise reduction and wide-range, clear HD sound guarantees perfect quality of every call. DSP and Acoustic Protection technology along with advanced noise reduction make professional communication easy, even in the loudest open office spaces.

The ergonomic USB remote control, with its Plug & Play function, make using the set intuitive. The stylish design and distinctive orange O-ring make the Prime MS stand out from other solutions.
